This summer...

MCG Youth & Arts is offering an exciting opportunity for Pittsburgh area youth (grades 5-12) to create art in our world-class facility. Use state of the art equipment and professional-grade materials to create one of a kind works of art in our ceramics, photography, design, and digital art studios.

**Program Offerings**

**Middle School**
Three two-week sessions for students 10-13 years old, Monday-Friday 9am – 4pm. Students will work in three of our four studios every day, creating a variety of projects.

**High School**
Three two-week sessions for students 14-18 years old, Monday-Friday 1pm – 4pm. Each session is focused in one studio, with students spending three hours in one of our art-making studios.

**Our Studios & Processes**

**Ceramics**
Hand building, sculpture, wheel throwing, Raku-firing, and more.

**Photography**
Digital photography, black & white film photography, Photoshop, darkroom, and more.

**Design**
Screen printing, drawing, painting, fashion, textiles, sculpture, and more.

**Digital**
Graphic design, digital music, 3-D printing, laser engraving, and more.

MCG Youth and Arts admits students of any race, sex, national origin, religion, ethnicity, disability, sexual orientation, gender identity, or gender expression.
MIDDLE SCHOOL

June 26 – July 7, 2017*

Ceramics, Photography, Digital

Ragin’ Raku - Learn how to do the ancient pottery technique of Raku.
Photography Mania - Create awesome art using your very own digital photography.
Digital Expressions – Make unique pieces of art and music using computers.

July 10 – July 21, 2017

Photography, Design, Ceramics

Multimedia Nature Edition – Use your nature shots to create unique projects.
Sculpture Bonanza – Create all kinds of cool stuff using everyday materials.
Fantasy Footwear – Create sculptures based on real life footwear.

July 24 – Aug 4, 2017

Photography, Digital, Design

PhotoTopia – Step back in time and learn traditional black and white film photography.
Electric Avenue – Use our specialized software to take your art higher!
Wearable Art Challenge - Put your skills to the test with unconventional materials.

HIGH SCHOOL

June 26 – July 7, 2017*

Design

Interactive Collaborative – Join forces with your fellow artists to create large-scale, interactive works of art. Learn about interactive art and performance through the ages, and then brainstorm your own creation through drawing and 3-D model-building.

July 10 – July 21, 2017

Digital

Video 360! – Learn to shoot and edit 360° videos for virtual headsets. After it’s complete you’ll upload the videos to the Internet to share with your friends. You’ll also assemble and customize your own VR headset.

July 24 – Aug 4, 2017

Ceramics

Wheel Wizardry – Want to improve your potter’s wheel skills and get experience firing a gas kiln? In this class you’ll be spending the majority of your time working on the potter’s wheel. Then, you’ll learn how kilns are loaded and how glazing is done.

* Closed July 4

Parent/guardian signed forms and waivers must be completed and submitted to MCG Youth & Arts at least one week prior to the start of programming.
