This summer...
MCG Youth & Arts is offering an exciting opportunity for Pittsburgh area youth (grades 5-12) to create art in our world-class facility. Use state-of-the-art equipment and professional-grade materials to create one-of-a-kind works of art in our ceramics, photography, design, and digital art studios.

Program Offerings

**Middle School**
Three two-week sessions for students 10–13 years old, Monday–Friday, 9 a.m.–4 p.m. Students will work in three of our four studios every day creating a variety of projects.

**High School**
Three two-week sessions for students 14–18 years old, Monday–Friday, 1 p.m.–4 p.m. Each session is focused in one studio, with students spending three hours in one of our art-making studios.

Our Studios & Processes

**Ceramics**
Hand building, sculpture, wheel throwing, raku-firing, and more

**Photography**
Digital photography, black and white film photography, Photoshop, darkroom, and more

**Design**
Screen printing, drawing, painting, fashion, textiles, sculpture, and more

**Digital**
Graphic design, digital music, 3-D printing, laser engraving, and more

MCG Youth and Arts admits students of any race, sex, national origin, religion, ethnicity, disability, sexual orientation, gender identity, or gender expression.

MIDDLE SCHOOL

June 24–July 5, 2019*

Photo, Design, Ceramics
Back in Time Photography – Create traditional black and white photographs.
Sewing and Stuff – Learn the basics and create your own pillows and cuddly creatures.
Bodacious Baskets – Creatively combine coil pots and basket weaving!

July 8 – July 19, 2019

Ceramics, Digital, Design
Ridiculous Raku – Innovative daily projects that you never knew you could do!
The Lit Lab – Create a variety of projects using state of the art software.
Printapalooza – Explore monoprinting, blockprinting, and screenprinting.

July 22 – Aug 2, 2019

Design, Digital, Photo
Build It Big – Create large, light-weight sculptures using papier-mache and more.
Soundwaves and Pixels – It’s a multimedia extravaganza every day in the Digital studio.
Abstracting Photography – Not every image has to be perfect, so experiment!

HIGH SCHOOL

June 24–July 5, 2019*

Digital
Tech Sweet - Students will explore the intersection of science, technology, and art in this session. Create unique projects using a 3-D printer, laser engraver, and more.

July 8–July 19, 2019

Photo
Photo on the Go – Explore digital photography while taking trips to other places. Trips will include local points of interest AND an all-day trip!

July 22 – Aug 2, 2019

Ceramics
Fresh take on Folk – Explore the traditions of Pennsylvania folk art by creating in clay!

You will learn how to work with terra cotta, slips, and folk designs.

* Closed July 4

Parent/guardian signed forms and waivers must be completed and submitted to MCG Youth & Arts at least one week prior to the start of programming.
